PROVIDER DIRECTORY

**NETCARE LIFE & HEALTH INSURANCE CO.
ADVANTAGE POS & HMO PROVIDER NETWORK**

The Advantage POS & HMO plans require members to elect a Primary Care Physician (PCP). A PCP must be a participating provider, such as a Clinic or an individual physician, who is located or provides care in NetCare's service area. Benefits are payable for services rendered by your PCP in accordance to your Schedule of Benefits. Benefits are payable for services at a non-PCP for Advantage POS members who may self refer to a non-PCP within NetCare's service area; Advantage HMO plan members need a PCP referral for services rendered at a non-PCP (except for OB-GYN services) within NetCare's service area. Services rendered outside the service area require a NetCare approved referral.

If you do not elect a PCP, NetCare will assign a PCP for you. You may change your PCP at any time by contacting NetCare by phone, facsimile or email. The change will be effective the day notice is received by NetCare. A PCP change effective retroactive prior to the day notice is received or to cover services already incurred is not permitted.
